

# *Devore* 2

COMING SUMMER 2006

## **Who?**

- Caltrans District 8 - Serving Riverside and San Bernardino Counties

## **What?**

- Replace deteriorated pavement and add an additional lane for slow vehicles (truck climbing lane) to improve traffic flow
- Provide a smoother, quieter ride for motorists

## **When?**

- Work begins late Summer 2006
- Most work on weeknights (Monday - Thursday)
- Rapid Rehab Weekend Closures  
Full directional closures for 9 weekends  
(details to be forthcoming)
- Completed Winter 2007

## **Where?**

- On Interstate 15 from Sierra Ave in Fontana through Devore to south of Cleghorn Road in the Cajon Pass (map on reverse side)

IMPROVING MOBILITY ACROSS CALIFORNIA

## Why?

The above photographs show the deteriorated pavement on I-15

## How Can You Avoid Construction Delays?

- Plan ahead before you travel
- Avoid travel during Rapid Rehab weekend closures
- Use an alternate route
- Carpool, fly or take a bus to resort destinations
- Look for Devore 2 updates on our website
- Sign up for our weekly Fast Fax updates
- View real time traffic on our website
- Additional information will be released when available

Construction schedules and more information will be posted to the District 8 website in late May 2006
